The Rotaract Club of Johns Hopkins Bloomberg School of Public Health has had a great year so far! In November we had our Induction Ceremony where Governor Barton Goldenberg inducted our new members as well as new members of the Rotary Club of Howard West. Also in November we teamed up

- Rotaract Club of Johns Hopkins Bloomberg School of Public Health held a joint induction with their sponsoring Rotary Club of Howard West with the ceremony conducted by Governor Barton Goldenberg.

Rotaractors from American University and the Washington DC Club took the call to action to the International level by participating in the Rotary UN Day in New York.

Finally, we want to welcome the Rotaract Club of College Park. They completed the necessary steps to be a

certified club and will be chartered in the Spring of 2020.

Any other Rotary Clubs interested in starting a new Rotaract Club can email [rotaract@rotary7620.org](mailto:rotaract@rotary7620.org) or contact Rotaract District Chair Monique Toussaint at [rotarianmonique@gmail.com](mailto:rotarianmonique@gmail.com). Thanks for supporting your local Rotaract Clubs and have a Happy Holiday!

[Below by AG Delores Edwards] November 7 meeting at Towson University. We (Mary Ann Rishebarger, Ann Saar and me) attended the International Initiatives Staff Development Meeting to present and discuss Rotary and ways we can assist with membership, grants/funding and possible partnerships opportunities. Very successful meeting.

with the Rotary Club of Baltimore Sunset to make Street Survival Kits for Health Care for the Homeless. In December we will be visiting the Future Care Canton Rehab Facility to do arts and crafts and spend time with the residents. Email: [jhsphrotaractclub@jhu.edu](mailto:jhsphrotaractclub@jhu.edu).
